This is a large cortijo only 800m from the beautiful coastal resort of Mojacar.

The property stands on a plot of 2,330m with a build size of 213m² with stunning sea and mountain views. Accessed via a tarmac and gravel drive the property has lawned areas to the side and rear of the house with an abundance of fruit trees including limes, lemons and bananas.

The house itself is in need of some refurbishment but when completed would make a very desirable property in an equally desirable area.
