This is a glorious holiday apartment with a private terrace and views of the countryside and sea in a complex with communal pool, lift, and underground parking in the coastal town of Palomares, meaning you are within walking distance of both the centre of the village where you will find a number of amenities, plus a similar distance from the beaches.

Heading through the front door leads directly into a short hallway, with the well-equipped, separate kitchen being located to the left. At the end of the hallway, you will find a relatively large lounge-diner, which is nice and bright and airy thanks to the large glass area at the end of the room, which leads out onto the aforementioned terrace.

Leading off of the main living space is where the sleeping accommodation is located, with there being a total of two double bedrooms and a family bathroom. Both bedrooms are well-equipped, with them having air-conditioning, ceiling fans, and fitted wardrobes. The bathroom has a bathtub with shower.
