A Unique 4 bedroom, 2 bathroom village house in San Isidro, Cartagena, Murcia. This lovely property consists of 125m² of living accommodation on a plot of 235m² with a secluded garden and patio area. A large terrace to the front of the house gives you access to an entrance vestibule off of which are 4 double bedrooms. The entrance also leads to a living room with feature open fireplace, free view television. The kitchen is fitted with eye and base level units with plenty of work surface, and a ceramic hob, and a separate storage cupboard. From the kitchen this leads to the rear door accessing the courtyard, which is secluded for privacy. To the side of the house you have a Fantastic 8x4 private swimming pool. The gardens are mainly laid to tile with various seating areas. This is a lovely house ready to live the Spanish lifestyle. Murcia (San Javier) airport is just 30 minutes by car
