The project consists of 90 dwellings of 1, 2 and 3 bedrooms, all of them with a garage space and storage room. It is an exclusive residential complex, closed in order to guarantee security and privacy.

The dwellings are designed to enjoy the natural setting with interior spaces that seem to continue on the terraces in order to achieve better lighting and a spacious effect. In addition, the residential complex has community areas with two swimming pools with saline chlorination, multisport court, a social club for leisure and sports activities, as well as large green areas.

An oasis in the midst of nature. A perfect place to enjoy tranquillity while being able to do fun things.
