800m<sup>2</sup>

This traditional villa, located in the prestigious urbanization La Corona in Javea, offers breathtaking views stretching across the azure bay of Javea to the majestic Cap Negre. Enjoy not only stunning sea views, but also an impressive panorama of the surrounding mountainous landscape. This unique 180° view guarantees you the most beautiful sunrises every morning on the east side and enchanting mountain sunsets on the west side. The villa is elegantly distributed over three floors, with the pool perfectly positioned on the floor of the living spaces. Off the street you will find a carport and additional parking for two vehicles. A few steps down, you enter through the main...(Ask for More Details!)
