In the quiet and popular residential area of Fanadix in Benissa lies this surprisingly spacious villa, a home that gives a feeling of freedom and comfort from the first moment. Spread over two separate floors, this house offers exceptional flexibility - ideal for those looking for space for family, guests or a combination of living and renting.

On the upper floor, the day starts with light and air. The living room is directly connected to a spacious terrace, where life moves outside by itself. Here you can enjoy long breakfasts, relaxed afternoons and quiet evenings. The floor has two bedrooms, a bathroom and a complete kitchen, making this floor completely independent...(Ask for More Details!)
