This is a project of 90 homes of 1, 2 and 3 bedrooms, all of them with garage space and storage room. It is an exclusive gated community to guarantee security and privacy. The homes are designed to enjoy the greenery and natural surroundings with interior spaces that seem to continue onto the terraces for more light and a feeling of spaciousness. In addition, the residential complex has communal areas with two saline chlorination swimming pools, a multi-sports court, a social club for leisure and sports activities, as well as large green areas. This is an oasis in the middle of nature.
