N/A

An exceptional investment opportunity for developers! These two expansive urban plots, located just a stone's throw from Jávea's charming Old Town, offer incredible potential for a residential development project.

Total Capacity: Can be subdivided into 12 to 14 individual plots

Urban Land: Ready for construction

Prime Location: Walking distance to Jávea Old Town, shops, restaurants, and amenities

Exclusive Sale: Only available as a single purchase

With high demand for new homes in this sought-after area, this is a golden opportunity to create an exclusive residential community in one of the most desirable locations in Costa Blanca North.
