Introducing a sophisticated boutique complex with low-density living, featuring just 41 apartments spread across four four-story blocks. With a variety of 2, 3, and 4-bedroom units, this development caters to diverse preferences—from couples and small families to larger households or those who desire more space for leisure.

This exclusive development boasts exceptional amenities, ensuring that purchasing one of its properties is an outstanding investment. Residents can enjoy a fully equipped gym and wellness area, perfect for exercise and relaxation. Additionally, the indoor pool offers a refreshing dip regardless of the weather. The complex is designed to foster community, with social areas by the pool and sun loungers in the beautifully landscaped. (Ask for More Details)
