This exclusive private development is located in a privileged area of Benalmádena. Thanks to its elevated location, all homes will enjoy incredible panoramic views of the sea and the coast. The terraced layout overlooking the Mediterranean Sea means that each and every one of the 49 apartments and 2 townhouses enjoys bright rooms thanks to natural light.

The complex offers 2 and 3 bedroom homes with large terraces, bright penthouses, and townhouses with private gardens and terraces. The sloping terrain allows for staggered housing, with large terraces that are further enhanced by glass railings that appear to blend seamlessly with the sea in. (Ask for More Details)
