Apartment in Denia

€379,000

2	1	89m²	128m²	✔

Some days, the nicest thing about living in Dénia would be leaving the car exactly where you parked it.
Walk into town for coffee. Head down to the beach. Stop for lunch somewhere you only intended to pass. Then come home to your own garden, with the Montgó rising behind you.
This newly completed two-bedroom garden apartment offers a lovely setting for that sort of everyday life. It is also the last apartment available in the development.
There is approximately 89 m² of built space inside and a private garden of approximately 128 m² outside. Enough room to gather friends around a table, grow your favourite plants or follow the winter sunshine from... (Ask for More Details!)
