This elegant first-floor apartment is located within Residencial Jávea Beach I, an exclusive contemporary development of just 27 homes, offering communal gardens, a swimming pool, and underground parking in a prime area of Jávea.

The property offers a total constructed area of approximately 132 m², complemented by generous outdoor spaces that enhance both comfort and lifestyle.

The interior layout has been carefully designed to maximise space and natural light. The apartment features a large open-plan living and dining area of over 27 m², seamlessly connected to the outdoor terraces, creating an ideal setting for both everyday living and entertaining. The independent kitchen is well-proportioned and functionally laid out, with direct access to a 60sq ft
