Modern Ibiza-style villa for sale in Benissa, Costa Blanca. New build with sea views, 4 bedrooms, swimming pool and personalised finishing options

This modern villa in Benissa is a new build project on the Costa Blanca, designed in contemporary Ibiza style. The property is being built on a generous plot of over 1,000 m<sup>2</sup> and has panoramic sea views. It is possible to choose personal finishes and materials during construction.

Description

The property is spread over several levels and combines modern architecture with natural elements. Thanks to the large windows and open layout, you can enjoy plenty of light and panoramic sea views throughout. The villa will have a spacious living/dining room with (Ask for More Details)
