Villa Aqua is located in the Magnolias residential area of Cumbre del Sol. It is a contemporary residence that pays tribute to the Mediterranean in every line and view. Its sober, elegant and open architecture integrates with the natural surroundings, offering a vital experience in tune with the sea, light and tranquillity. #13; #13;

The home's design focuses on spaciousness and visual connection. Picture windows flood the interior with natural light and frame the views from any room. The house occupies a single floor, where its three bedrooms all have en-suite bathrooms, and the day area combines kitchen, living room and dining room in a continuous space, facing the terrace and pool. #13; #13;
