Villa in Moraira

€670,000

3	3	163m²	827m²	N/A

A covered terrace with timber beams and arches overlooks the pool and palm garden. The open-plan living and dining room connects to the kitchen through a broad arch. The villa has three bedrooms, three bathrooms, central heating and air conditioning in selected rooms. The pool terrace has a heated outdoor shower. A stone path leads through the garden to the driveway and a relocatable garage unit.
Cadastral records give a plot area of 827 m², a built area of 163 m² and a construction year of 1998. The septic tank is outdated and must be replaced by the new owners at their expense. According to the sellers, the property currently has no...(Ask for More Details!)
