Villa in Javea

€790,000

3	2	230m²	896m²	N/A

Mature palms surround this three-bedroom villa on an 896 m² plot in Balcón al Mar. From the living room, broad arched windows frame the garden and a glimpse of the Mediterranean beyond. There are also sea views from the upstairs bedroom, which opens onto a terrace. Exposed timber beams and stone-trimmed arches give the living areas their character, while the fitted kitchen combines wood-effect cabinetry with black worktops.

Beside the private pool, a covered outdoor kitchen opens onto the terrace through a row of arches. The house has two bathrooms and a separate guest WC. The garage accommodates one large car or two small cars. The underbuild has insufficient ceiling height...(Ask for More Details!)
