This completely fenced plot is over 12.400m² and built with mostly olive trees for a good harvest. There is a "Casa de Aperó" built of 70m² which is now being registered. This "Casa de Aperó" can be finished at your own discretion. Around here there are also a number of fruit trees. To give an example: a "casa de aperó" is a barn or a storage room, you may not convert it into a house (viv... (Ask for More Details!))
