100m²

N/A

This traditional village house enjoys a corner position in a residential street of the pueblo of Alozaina in Málaga province. This character property does require some modernisation. Set on a 100m² urban plot, the property extends to 120m² and the accommodation is distributed over 2 levels. One enters through a lovely antique, wooden door into a reception / living room . There is a bedro...(Ask for More Details!)
