SOLD This well presented Rosa style villa sits on a 400m² plot and the walls have been raised providing privacy and security, and is located on the final phase, in a quiet location. The gardens are mostly gravelled and has mature plants, shrubs, fruit trees and auto-irrigated for ease of maintenance. A small flight of steps lead up to the front terrace, the area also doubles as a pleasant outside dining area. The Lounge is spacious and bright and is equipped with, log burning fire, air conditioning, and ceiling fans. The separate dining area is adjacent to the fully fitted kitchen that includes white goods such as oven/hob, fridge freezer. The master bedroom has fitted wardrobes and benefits an en suite to include bath with over bath shower, WC, bidet and sink, with the other double bedroom having a separate shower room. The property has decorative window grills and, also is fully fly screened. The property is fully furnished and is in good order throughout.
